

RWS

It is candy cane gram time!

The social justice club will be continuing our annual Christmas tradition of selling Candy Cane Grams for students to share with their classmates.

This year, during the week of December 7th to the 10th, teachers will have address tags available for sale for \$1.00 between 8:10 and 8:25 each morning on which the kids will write the name and classroom of the students they want to send a candy cane to.

Throughout our last week before holidays, December 14th to the 18th, the tags and candy canes will be distributed to classrooms.

As we are unable to run our Hopes and Dreams food drive this year, the selling of our Candy Cane Grams will be our only school-based fundraiser to benefit the Sunde Santas 2020 campaign.

Merry Christmas!
