

Want to know who your child's teacher will be this year?? READ ON!

It is indeed a digital age! In order to access a variety of school related information about your child, the best avenue is through Powerschool/ Parent Portal. You will be able to pay fees, update contact information, see grade 5-8 marks/ report cards and more.

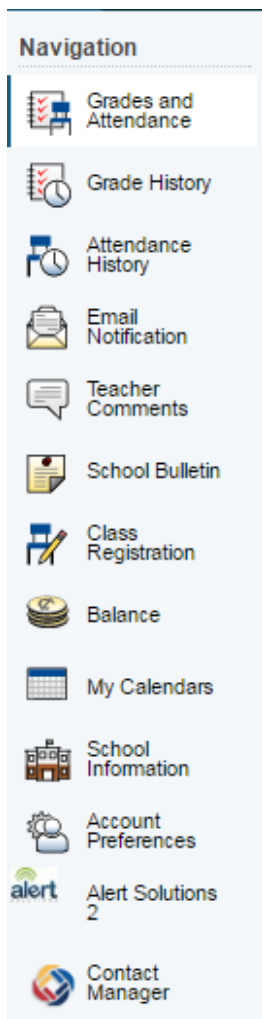

The first information you may want to see is the classroom your child will be placed in for the upcoming school year. This information will be available in PowerSchool in late August.

How to do this? Follow these steps to successfully navigate your way:

If your RVS child is already set up in Parent Portal...

- a) Go to <https://www.rivervalleysundre.ca/>
- b) Click on “Quick Links” in the top bar and then “PowerSchool”.
- c) Login using your username and password that you previously set up.

d) Once logged in, you will be sent to the main page of the Parent Portal - the screen will default to Grades & Attendance (from the menu on the left)

e) Note the Homeroom Teacher listed in the first row of information - this will be your child's homeroom teacher for the upcoming school year!

f) If you have more than one child registered, you can see each child's name as tabs at the top. Just click each child's name to see their information.

If your RVS child is NOT YET set up in Parent Portal or if you have any additional questions...

Please call the school office at 403-638-3939 or email river.valley@cesd73.ca for help in getting set up.

Thanks for utilizing Parent Portal!
