

September 15, 2022 - SAVE the DATE!

We are pleased to be hosting a presentation for parents from Jo(e) Social Media from 6:30 - 8:00 on Sept 15, in the River Valley School Library.

A Message from the Jo(e)'s about the presentation:

There are a lot of scary misconceptions around how kids are using social media. Unfortunately, parents and educators are proceeding with uninformed fear, because of it. We are Jo Phillips and Joe Whitbread from Jo(e) Social Media in Lacombe, Alberta and are coming to RVS on September 15 to help start a social media conversation.

We'll spend the day in sessions with Grade 4-8 students and meet back at the school at 6:30 pm for a parent's presentation. We hope you'll come too.

Since 2015, we, the Jo(e)s, have traveled the province, offering help to kids and parents in a social media and digital world. Join us to learn just how powerful and safe kids can be when they have our support and learn from first-hand research what kids are actually doing on the platforms we all use, every day.

We hope you can join us on September 15 for an insightful and valuable conversation about the ways all of us are raising children, in a very digital world.
