

You will see CESD survey data trends on the following page, and we are pleased to say that RVS data aligns quite well with this. The overall information would indicate that a River Valley education is a quality education! Thank you for sending your children to River Valley to be educated this year -it has been our honor to do this work.

We are in the homestretch and we would ask families to hang in there as we take the last leg of the track. To continue the race analogy, we want to see kids crossing the finish line with maximum learning under their belts and the satisfaction that comes with a race well run.

#### What's Next?

We are already doing a significant amount of planning for Fall, to ensure we have a great school year on the horizon for 2024-2025. We all know that a growing, vibrant school is vital to a fully functioning community, and so we welcome all local families to make RVS their school of choice. We feel confident we can meet a wide range of educational needs, and look forward to seeing both familiar and new faces in the halls next year.

Stay tuned for Class Placement information in the report card at the end of the month. With limited time to navigate changes before summer break, any concerns about placement will likely be reviewed in the Fall. Feel free to reach out by email to administration in the last week of August if this is the case.

In closing, it is our sincerest wish that you all stay healthy, well and that you are able to connect with families and friends in the summer months. We look forward to returning to positive and productive learning in the Fall. Thank you again for your ongoing support of River Valley School!

At RVS we are lucky to have such a hard working School Council, and although it is a small group of people, they consistently come together to diligently fundraise and support many purchases and initiatives that provide benefit to all students and staff. This year the Council generously supported the purchase and install of 2 GagaBall pits and significant PE equipment. They also hosted “Ice Age” Family Movie Night which was a success! We are grateful to all parents who commit in any capacity in the school, be that buying a subway lunch or sending money for Growly days, to larger initiatives like supporting fundraising Casinos. In terms of the School Council, we are fortunate to have individuals who consistently go above and beyond and would like to acknowledge their contributions and dedication. Thank-you - We couldn't do it without you!

**Thank  
You**

We want to give a big shout out to Nutrition for Learning for continuing to provide snacks to all students numerous times a week. As well, the purchase of a small refrigerator for the office has supported providing even more students with 'food to go'. This group relies heavily on donations and grants to make this possible, as well as parent volunteers for super fun snacks like popcorn - thank you thank you!

Please contact Irma @ Primary Care Network  
Phone 403-586-0371**

Are you looking for a part time job that doesn't involve weekends or summers?  
Would you like to have a positive influence on our school aged youth?

## We're looking for dedicated individuals to join our team as School Bus Drivers!

### What You'll Do:

- Safely transport students to and from school
- Follow designated routes and schedules while adhering to all traffic laws and safety regulations.
- Conduct pre-trip and post-trip inspections to ensure the bus is in optimal condition.
- Provide exceptional customer service to students, parents, and school staff.

### What We're Looking For:

- Valid Driver's License (minimum Class 5 - non GDL)
- Strong communication skills and ability to interact professionally with peers, students and staff.
- Commitment to safety and reliability.

### Why Join Us:

- Competitive pay and benefits package.
- Comprehensive paid training and ongoing support.
- Flexible schedules to accommodate your lifestyle.
- Be part of a supportive team dedicated to the safety and well-being of our community's children.
