

We were very happy to see the return of River Valley students to the building today, and would like to extend a warm welcome to all new students and their families as well.

As a school community we continue to be highly committed to seeing all students succeed, and know that the foundation of the Chinook's Edge School Division mission statement that focuses on challenging, encouraging and believing in students, is the best way to accomplish this. Academic rigor and strong relationships form the basis for our work, and we are excited to move learning forward in these areas.

If you have any questions or concerns, please connect, and together we can work toward success for all this school year!

Cheers,
Leslie Cooper-Shand
Principal

LAND RECOGNITION

We acknowledge that we work, live and play on the ancestral and traditional lands of the Treaty 6 and Treaty 7 nations. We acknowledge the many First Nations, Metis and Inuit whose footsteps have marked these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We recognize the land as an act of reconciliation and gratitude to those whose territory we reside on.

A NEW SCHOOL YEAR

RIVER VALLEY SCHOOL SEPTEMBER 2024

RIVER VALLEY SCHOOL GUIDE

STUDENT/PARENT INFORMATION
SEPTEMBER 2024

PRINCIPAL: MS. LESLIE COOPER-SHAND
VICE PRINCIPALS: MRS. TANYA BRAYBROOK, MR. IAN MULHOLLAND

ADMIN SUPPORT: MRS. KAREN OLSON, MS. SONJA LOGAN

TELEPHONE: (403) 638-3939

PRINCIPAL'S MESSAGE

On behalf of the staff of River Valley School, I would like to welcome all of you. We hope that our time together this year is an exciting learning adventure for us all.

THE PRIMARY PURPOSE OF THE SCHOOL

Our school strives to help students learn the knowledge and skills necessary for living in today's world. This includes the social skills necessary to build solid relationships with other students and adults. Such skills include co-operation, leadership, a strong concept of self, acceptance of responsibility, and an honest understanding of strengths and areas of challenge. We have a responsibility to help students learn respect for oneself, others and property and to become the citizens that will lead our community in the future.

We never want students to lose the sense of curiosity and wonder that drives us to learn, explore and discover. We wish to help students pursue excellence in order that they can take pride in accomplishments when best effort has been put forth. Each student should experience the pride that comes with having met challenges that are exciting and stimulating.

The following pages include a significant amount of information about River Valley School and the processes that make the school world go-round. Please do take time to read through the information when you are able. It is very important to us that key messages around behavior are clear and consistent for students, staff and families. Staff took significant time this fall to review and come to a consensus on key rules, routines and consequences in order to provide consistency for students. Below you will see a "coles notes" version of some of these aspects that we often find ourselves giving numerous reminders about. We appreciate your support as parents in also reminding your children about some of these expectations, noted on the following page.

RVS Rules/ Routines - Key Messages

- **Hats & Hoods**
 - *Can be worn to & from your locker in the morning, and in & out for recess times
 - *Cannot be worn in classrooms or at Middle School nickel breaks
 - *Hats are stored in their locker, not in classrooms
- **Phones/ Personal Mobile Devices (cellphones, smartwatches, tablets) -as per the new Ministerial Order**
 - *students are not able to use cellphones/personal mobile devices and social media during the school day, which includes recess, breaks, and field trips.
 - *personal devices must be stored out of view and be powered off before entering the building
 - *students may access devices after the last bell
 - *students will be responsible for personal devices that are brought to school, and staff will not be providing a secure in-class storage location
- **Energy Drinks** - should not be brought to, or consumed at school
- **Late to Class/ Wandering** - students are to be on time for class or consequences will be in place
- **Hands On/Off**
 - *Hands off is generally the best rule...but sometimes with consent a “handshake, high 5, or hug” are good ways to physically connect. These options are often coached in primary grades. As we move into Middle School the idea of consent can be trickier to navigate, as often students are not comfortable with a hug etc. from peers but are not confident enough to say so. We have seen an increased desire for many students to connect physically at this age, but also discomfort for others. Hugs between some for example have become extra long, hands here & there and so on. It can become a very ‘gray’ area to navigate. So...at this time we are asking that in Middle School in particular we respect one another’s boundaries through generally a “hands off” approach. High 5s & elaborate handshakes - A- Okay, but no hugs, hand holding and so on. As we move further into the year we may be able to re-negotiate this, particularly after some consent teaching and a gauge on the level of maturity we are seeing amongst students.
 - *Play fighting is a No. Much of the time this ends up in a real fight
 - *Deliberate physical aggression/ fighting has significant consequences
- **Vending machine** - no access for any grades during class time
- **Language** - clean, kind, appropriate. Swearing, crude or hurtful language will not be tolerated
- **Vaping** - is illegal, addictive and unhealthy. Significant consequences are in place for possession and/or use at school. This can be a challenging “without a reasonable doubt” offense, as students can find interesting places to conceal them. Continued reports of vaping connected to a student could result in suspension, even if there is no confiscation or admission of use.
- **Defiance & Disrespect** - Following the direction of all adults quickly and quietly helps teaching & learning move forward. If a student has a concern with an adult request they should ask for a quiet moment to speak to the adult to respectfully discuss their concern, recognizing that moment may not be able to happen immediately.
- **Consequences** - where possible we try to develop natural consequences. For example, using your phone when you shouldn’t results in your phone being taken for the remainder of the day, the never-off-your-head hat is stored at the office for the day, swearing = a cleaning duty, and so on. Repeat offenses result in increased consequences. At times, consequences need to be quite significant and can include in-school and out-of school suspensions, and in rare circumstances a move to expulsion. Good school-home communication and similar expectations generally help us avoid getting to serious levels of consequence.

IMPORTANT RE-ENROLMENT UPDATES

You will have received a Re-enrolment email in August. It is integral that we work together to ensure the safety of our children, so please ensure you have updated demographic information through the PowerSchool Parent Portal <https://powerschool.cesd73.ca/public/home.html>

(click on School Engage from the menu on left at the bottom)

Please note that unless we have legal documentation indicating otherwise, both parents noted on a birth certificate should be included as legal guardians in PowerSchool. If you have a unique situation, please connect with the office staff and they can guide you through this.

September 25, 2024
Monday/Wednesday Kindergarten
Gr 1 to Gr 8

September 26, 2024
Tuesday/Thursday Kindergarten

KM CLUB

Starts September 9, 2024
During lunch recess Gr 1 to Gr 8
Parents may join their students
outside at their designated
recess time

No Pets Please

WELCOME BACK OPEN HOUSE

Sept. 5th 5:00 - 7:00

Please feel free to stop by the school to check out your child's classroom and meet their teacher and Educational Assistant staff next week during the Welcome Back Open House.

This is also the time where registration for many community extra-curricular activities occurs in the community gym, and student work from last year is submitted for the school fair and is up for viewing in the RVS gym. Feel free to make your way that direction following a visit to classrooms. You may also see an information booth about the School Council, and I would encourage you to connect with the folks there. The School/Parent Council provides a great opportunity to be connected to your child's school, and meet once a month to hear all about the RVS goings on and to have a chance to provide feedback from a parent perspective.

RVS is happy to have a BBQ concession table at this event, and all proceeds go to support various school programs and activities

We hope to see you there!

GOOGLE CLASSROOM

Stay tuned for information from your child's homeroom teacher on how to access Google Classroom. This is a great tool that allows students to manage ongoing review of challenging concepts or to study for tests, and for parents to see what concepts are being covered each week in class. If students need to be away from school, but are well enough to manage some school work, this is the way to do it :)

ATTENDANCE MATTERS

Your child's success is important!

We want to partner with you to build that success. One key action you can take is helping your child attend school regularly.

Research tells us that when children are in school at least 90% of the time - including in the early years - there is a direct impact on their success in school in all of the grades.

ATTEND TODAY, ACHIEVE TOMORROW

CHINOOK'S EDGE
SCHOOL DIVISION

GOOD SCHOOL ATTENDANCE MEANS...

				
ELEMENTARY STUDENTS read well by the end of the third grade.	MIDDLE SCHOOLERS pass important courses	HIGH SCHOOLERS stay on track for graduation	UNIVERSITY/ COLLEGE STUDENTS earn their degree	WORKERS succeed in their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.

If your child needs cutlery for their lunch, please send a set to school with item as we are not able to provide cutlery from the office or Growly - thank you! Styrofoam cups for water are also not available, and we would encourage all students to have a reusable water bottle at school for daily use.

Youth Mental Health Clinic

Are you between the ages of 6 – 14 and experiencing struggles with your mental health?

Dr. J Smith and Irma van den Hadelkamp (RN) from the Primary Care Network will be on site at River Valley School once per month for consultation.
